

C&A - Recruitment VPB briefing

Firstly, thank you very much for taking the time out to do some phoning for Chesham and Amersham!

We have a real chance of taking this seat and getting another Lib Dem MP elected to Westminster.

This list is made up of people who have helped in by-elections in the past, as well as people who have campaigned in their local areas in regions that are drivable or commutable by public transport to Chesham & Amersham.

It is important that we get this campaign off to a flying start, and that means people knocking on doors and delivering leaflets.

Script

The script has two questions:

- Are you willing to come and help out?
- Are you willing to phone from home?

If they are willing to come and help out please use the event scheduler to book them into a specific shift at a HQ.

This will ensure we have enough work prepared for the day as well as stay within COVID restrictions.

If they are willing to phone we would love them to continue to phone other Lib Dems in the area like you're doing to get more people to come to Chesham & Amersham.

And finally...

If there is anything else that you're unsure about - please call the contact on the VPB screen.

We really can win this by-election and get the amazing Sarah Green elected, but as we know from time and time again we can only do this with your support and your help, so please help us now.
