LIB DEMS: THE PARTY FOR REMAINERS

The Liberal

What started as a

GIVE PEOPLE THE FINAL SAY

Westminster politics is failing all sides when it comes to Brexit. The only way out of this mess is a People's Vote so that the people get the final say.

The Liberal Democrats will be leading the fight to Remain in the EU in a People's Vote.

There are two people who are blocking this - Theresa May and Jeremy Corbyn. If either one would listen or compromise, then we could resolve Brexit once and for all with a People's Vote. By casting your vote for the Liberal Democrats in this election, you can send a message that enough is enough. We want a People's Vote and we need it now.

THE LIBERAL DEMOCRAT VISION FOR BRITAIN TO REMAIN IN EUROPE

A MORE PROSPEROUS BRITAIN

With Britain at the heart of a modernised European Union, we can improve lives in every part of the country.

A country where everyone can afford somewhere to live, in a safe, clean and friendly neighbourhood. A country with a new politics – taking on entrenched power and privilege and delivering a fair deal for everyone.

TACKLE THE CLIMATE EMERGENCY

Global problems need global solutions. Working with the EU greatly amplifies the UK's voice in international negotiations.

It enables us to jointly set high environmental standards - which in turn can be used to hold the Government to account at home, for example over its failure to tackle toxic air pollution and poor water quality.

PROTECT OUR PUBLIC SERVICES

As well as being friends, neighbours and family, EU citizens make a huge contribution to our NHS, schools and care services. 1 in 10 NHS doctors are EU citizens, along with 13,000 teachers.

Conservative and Labour Brexit plans put this at risk. By staying in the EU, we can retain these vital staff and also give our own citizens the opportunity to work in the EU.
