1. Payment should be made with this order as per payment details.
2. Please mark position of items ordered on grid overleaf.
3. If drawing/grid not provided, fittings will be positioned at electrician's discretion.
4. Any complaint regarding the electrical installation must be reported in writing prior to the close of the exhibition.
5. If any fittings are required within the stand i.e. not attached to walls or fascia, please ensure that the appropriate battens have been ordered on the stand fitting form.
6. Client's tracks must be installed by the owner/agent. The connection of the supply to the track will be made by the official contractor.
7. No allowance is made for maintenance of client's fittings/tracks during the show.
