

# Lucas North *and* Callum Littlemore *for* Co-Events Officers

We're standing to be your next Young Liberals events officers because we believe we can deliver **bigger, better, and more accessible events**. Bringing combined **experience of more than a decade** of event planning, we want to draw on our experience and networks to **deliver the best experience possible** for you.

## Who we are

### Lucas:

- A Big4 Business Consultant and trainee accountant
- A former software engineer and creator of an open-source voting platform
- Former Young Greens Events Officer and Treasurer
- Organised two successful Young Greens annual Conventions
- Delivered 10 NUS Conferences over 4 years, including hybrid conferences

### Callum:

- Currently working for the Federal Party in the House of Lords
- Former YL Co-Chair
- Outgoing Chair of Welsh Lib Dems Conference Committee
- Hosted the best attended Welsh Conferences since 2015
- Brought in over £25,000 while boosting accessibility
- Organised and ran two online Conferences during the pandemic

## What we'll do

By **announcing Conference dates and locations well in advance**, we'll help you plan ahead. We'll confirm the dates and location of Hibernation by the start of December, and aim to announce details of Activate at the end of Hibernation.

After the success of Manchester, we will **continue and build on hybrid conferences** - using technology to integrate the Conference experience and **deliver a great experience for in-person and virtual attendees**.

To make sure as many people as possible are able to make use of it, we'll **improve communications around the access fund**.

We'll deliver **more structured socials**, ensuring we offer a range of alcoholic, non-alcoholic, and under-18 specific events.

By **formalising the YL awards** and making these a **core part of the conference experience**, we'll help recognise and award the people who go above and beyond.

To make information easier to find, we'll **consolidate conference information** into one place. As part of this, we'll move away from Google Docs where possible and **offer fully formatted documents** like other Party conferences do.

So that you can get to know other Young Liberals outside of business sessions, we'll have **more networking opportunities and breaks** outside of conference hall.
