

Accessibility, Diversity & Standards

Having worked well together on both Diversity Committee and LGBT+ Lib Dems exec, we intend to play to our strengths and support each other in this challenging role.

Lucy Tonge

(She/Her)

- Passionate disability advocate
- Worked with multiple charities, inc. Mind & Time To Change
- Two years on LGBT+ LD Exec
- Served as Disability Rep on Diversity Committee for the last year

Andrew Rushton

(He/Him)

- Previous safeguarding experience, helping coach children in sports.
- Served on Diversity Committee over the last year as LGBA+ Rep.
- YL Rep on LGBT+ LD Exec

If elected, we will:

Consult the membership:

- Run bi-monthly focus groups and create an anonymous comment box in order to gain a better understanding from members on how to improve diversity. As ADS officers, we will feed back relevant points to the Executive.

Focus on inclusion:

- Push for the continuation of hybrid conferences, to ensure no one is excluded.
- Arrange for diverse speakers to give talks to YL - applying for a budgeted spending fee to ensure both quality of speakers and paying people for their time.

Build relationships:

- Reach out to other AO's within the party to improve diversity on a federal level.
- Work closely with Comms committee in producing materials and graphics for focus days.

Together with Diversity Committee, we hope to continue to improve diversity and accessibility within the Young Liberals.
