

# Catriona McDougall for Finance Officer

## My Experience

- As London Regional Chair took funding from nothing to nearly £1000 a year, all funded from outside YL
- Managed events with a 5 figure budget, delivering a cost neutral conference and one of the most successful conferences
- Served on YL regional, state and federal executives, Lib Dem regional executive, and Lib Dem Federal Committee
- Served as London Regional Chair, Events Officer and International Officer which has given me a wide range of perspectives and insights on funding and how best to utilise our finances

## What I'll do

- Quarterly budget reviews to allow for adaptation to current events
- Use contacts gained as International to learn from sister parties and grow our funding
- Create and sell merchandising. LYMEC have successful, popular merch, this is an untapped that can improve our organisation
- Retain institutional memory.
- My 4 years in office and strong working relationships with previous and current exec members will be invaluable
