

Andrew For LGBA+ Rep

About me:

- Joined the LDs in May 2019.
- Studying History and Politics at DMU Leicester.
- Activist and target candidate for Lichfield District Council.
- Previously Head Boy at my 6th Form, in my role I helped change the official titles to become gender neutral.
- I'm a massive Beyoncé fan who links everything back to her. (Fun fact: Nick Clegg shares his birthday with Blue Ivy)

My Plans:

- Ensure YL is a safe space for all, regardless of personal situations.
- Host LGBA+ events to engage more members in our party.
- Be the voice for YL LGBA+ members in our party.
- Fight to keep the virtual pride post Covid-19 so that it is accessible to all.
