

JAMES FOR ENGLISH COUNCIL

I'm James, I have been a member of the party since 2014, and in the last year have been Federal Policy Officer as well as being a English Council Member for YL for the last two years.

As an English Council member for YL I will turn up to meetings, consult with other English Council members and the English Chair on how to vote in the best interests of YL and the party overall, and persuade others to vote accordingly.

Having been a member for the last two years I have a good understanding and experience with what the job entails, and are fully prepared for the required long and often boring meetings that come with being an English Council member.

- **WILL TURN UP TO MEETINGS**
- **WILL VOTE IN THE BEST INTERESTS OF EYL/YL**
- **AM PREPARED FOR LONG BORING MEETINGS**
