

ELECT

JULIUS PARKER

AS

SOUTH CENTRAL CHAIR

Who am I?

I am Julius, a teaching assistant living in Buckinghamshire. I have played a role at many levels of the Young Liberals including Federal Finance Officer and NPO, Vice Chair of the Welsh Young Liberals and Chair of Aberystwyth Student and Young Liberals.

I am also working closely with and assisting the Buckingham Liberal Democrats in the run up to the locals next year, where I will be standing as a candidate.

My Aims

- Communication - Good communication to and between our members is now more important than ever. As chair I would seek to organise meetups for our members, be that online at the moment, or COVID permitting, in person. Alongside this I would increase regular e-mail communication with members to keep them abreast of any news and updates.
- Creation - As Chair I would work with the MBDO and the English Chair in order to cultivate existing YL branches and grow new ones where necessary.
- Coordination - South Central Region has a lot of potential in the upcoming Local Elections in England. If elected I would seek to coordinate members in order to best support both young candidates in the region and key target areas.
