for

YORKSHIRE & HUMBER YL CHAIR

and

YL CONFERENCE COMMITTEE

YORKSHIRE & HUMBER

- I want to expand the regional YL branch beyond its traditional York and Sheffield hubs. Following the successful model set by other regions such as North East and West Midlands, I will set up a regional executive in order to represent the student societies of Yorkshire's universities and the youth officers of our local parties. This will allow us to organise action days in co-ordination with the federal YL Campaigns Officer and local parties. It will also create opportunities for socials, training and much more.

CONFERENCE COMMITTEE

- Although I helped to make this year's online conference a success, I have unfinished business! The format of the quiz social event didn't really work online, but it has a long history of raising lots of money for charity with UBLD, and I really want to make it happen for YL for what I hope will be our first in-person conference after the pandemic.
- I will continue to make my services fully available to the next Events Officer, and promise to help make 2021's conference(s) as successful as they can be, whether they're online or not.

WHO I AM

I am a software developer working in Leeds, who just graduated from the University of Birmingham. I joined the party in 2015 and can usually be found lurking at both YL and federal conference. Also into video games, the stock market, Formula 1 and micronations.

WHAT I HAVE DONE

- Vice-Chair, University of Birmingham Lib Dems (2019-20)
- Chair, West Midlands Young Liberals (2018)
- 3x Council candidate in Wakefield District (2016-19)
- YL Conference Committee member (2019-20)
