Apologies: Andrew Reynolds & Michael Craig

Diversity Officer Co-Option

- Agreed that we will go ahead with the Co-Option, but the lack of a potential women application raises concern, due to the current committee being all male.

Campaigning Activities

- Campaigns Officer not present. Jake has floated the idea of a North East event with North East candidates, but with the resources focused on Molly Nolan and Rosemary Bruce.
- Discussed without detail another YL event for Molly Nolan.

Policy Committee

- Fantastic news regarding the passing of our conference motion and Molly Nolan's land reform motion. Displays how SYL members are shaping policy.

Federal Conference

- Federal Conference is currently underway.

Finances

- Scottish Conference quiz raised a fantastic £46. Money will be present in the SYL bank account at the start of April.
- Proceeds will be used to support the campaigns of young candidates around Scotland (or their local parties).
