## for Scottish Young Liberals Chair

### Who am I?

Originally from the Scottish Borders, I moved to Paisley in 2016 to study Society Politics & Policy at the University of the West of Scotland.

I love to get stuck in and get things done. I've served on the Scottish Young Liberals executive since 2018 and have built connections across the UK.

As Chair, I will be ready to fight for every member of our organisation, and ensure that we get the votes we need in 2021 to elect young MSPs and give young people the voices we deserve.

### My experience

I have served on the SYL executive as Non-Portfolio Officer and Communications Officer.

As Communications Officer I have managed to expand social media reach, contact members, work with other parties on student campaigns, and update the SYL website.

My tenure also covered the 2019 European and General Elections, so required a period of heightened and sustained activity.

I have also represented SYL at protests in Glasgow on climate change and the SQA results scandal. I was the Lib Dem candidate for Paisley & Renfrewshire South in the 2019 General Election and am our Paisley candidate for next year's Scottish Parliament election.

### My priorities

I want to see young people win in 2021. As chair I would:

- Reach out to our members who feel that SYL doesn't represent them
- Organise dedicated campaign days across Scotland to get young people winning
- Work hard to get young people elected in 2021 and beyond
- Coordinate activity with the federal Young Liberals
- Revise our election timetable to ensure parity with the federal Young Liberals
- Acquire up to date equipment (posters, boards etc.)
