

# Callum Robertson & Tara Copeland

## About Us:

Tara is originally from Vancouver, Canada where she was a member of the Liberal Party. She moved to the United Kingdom in 2012 and joined the Lib Dems in 2017. She has served as Young Liberals Policy Officer, where she successfully got two of YL's policies passed at back-to-back Federal Conferences, and as Chair of the Young Liberals. She worked as a Volunteer Officer for the party during the 2019 General Election and has been elected to the executive of LGBT Plus Liberal Democrats and the party's Federal Policy Committee

Callum is from Peterborough and joined the Liberal Democrats in 2016. He served as Chair of the East of England Young Liberals for two terms, where he secured regional funding that helped elect young candidates across the region, and as the Regional Policy Chair. He stood as the party's candidate for Clacton in the 2019 General Election where he built a team with Young Liberals in leading roles and almost tripled the party's vote share. He has also served as a member of the English Candidates Committee and as Chair of the Young Liberals.

## What We Will Do:

- Use our experience to bring the Young Liberals together, fostering a supportive and inclusive environment on the executive to benefit all young and student members.
- Continue building the positive reputation of the Young Liberals by strengthening relationships with the Federal Party and other internal organisations.
- Make ourselves and the executive as a whole more accessible to the membership to increase engagement and accountability.
- Ensure that, whatever happens in the coming year, YL is in a position to be an effective campaigning force in both internal and public elections.

### Kathy Macy, YL ADS Officer

*"Having worked with both Tara and Callum, I can't think of two people who are a better balance of talent and skills for the job. They're both fantastic hard workers and exactly what the exec needs right now."*

### Guy Benson, Former YL NPO

*"I've worked with Tara on the exec and was thrilled to hear she was hoping to return to the Chair role, with Callum providing a fresher perspective to YL. I feel they will be a great team to drive the organisation forward."*
