

# Joe Thomas

**(for NPO)**

Lovely Welsh surname.  
Horrible English accent.

*Hi all! My name is Joe, I'm 19 and I'm a Geography student in Aberystwyth. Since joining the Lib Dems in 2018, I've been trying my to help out on the ground in whatever way I can to try and get us winning. From helping turn my neck of the woods yellow in a stunning by-election result to the Senedd and General elections we all know and love (well at least for me, anyway!) I'd like to think I've done a fair bit – except take any sort of official role. With the County Council elections not too far away and the role of Non Portfolio Officer still lying vacant, it would be a stupid idea for it to remain so any longer!*

*For the past three years I have been a member of the executive group for Transport for London's Youth Panel, helping organise consultation events, run campaigns, drafting official responses, as well as performing general secretary roles for a group designed to represent 2.8 million people – qualities gained that I hope I'll be able to bring to the table for the Welsh Young Liberals.*

*I'm ready to deliver in the short time I'd have as NPO – and I'd love to have your support. If you have any questions or suggestions please don't hesitate to email me at [joe@joe.pm](mailto:joe@joe.pm). **Diolch yn fawr!***
