

# MEET KALA ZEERA

## Available for Adoption

Hi I'm Kala! I recently returned from a foster home because I was pretty scared of being in the shelter at first. Now you can find me in my own little room up in the cattery! Before my time in foster, I was very nervous, but my foster home has taught me that I can trust people, now I love to hang out with everyone I meet! My foster home says that I have the cutest little meow and I love playing with my toys. I am a laid back cat, I enjoy spending time with my people but am okay to have some alone time while I bird watch. I have learned so much in my time in foster, I am finally ready for my forever home. Could that be with you?
