Dear Parents/Guardians:

From September 24th to September 28th, the grades 7, 8, 9, 10, 11 classes will be exploring some of the amazing learning opportunities that Toronto has to offer through a variety of out of the classroom field trips and special in school workshops. The grade 12 students will be joining the high school trips September 24th-26th. This week-long experiential learning event will give students an opportunity to learn curriculum content and get to know their peers and teachers in various fun and informal settings.
