

**Permission for Woodland Cultural Centre Trip**

Dear Parents and Guardians:

As part of the social studies programme, students in grades 1-2, 4-5, 7, and 10 will visit the Woodland Cultural Centre. Formerly known as the Mohawk Institute Residential School, the Woodland Cultural Centre operated as a residential school until 1970 and was the oldest continuously Anglican-operated residential school in Canada. In 1972, ownership of the school was transferred to the Association of Iroquois and Allied Indians who established a museum and cultural centre. Linden students will participate in two morning tours: one focused on the heritage of the First Nations of the Eastern Woodland area and a second focusing on the history of the Mohawk Institute Residential School. After a lunch break, students will participate in a workshop to understand the geographical history of the moccasin and the styles and symbols within beading patterns. They will also create their own beading pattern in clay using real beads.

A condition for participation in a trip sponsored by The Linden School is that the student agrees to act as a responsible representative of the school at all times. Students are expected to work and behave cooperatively. Remember that part of the school's mission is to create an environment where young women can voice their opinions appropriately, and without feeling threatened. It is essential that you cooperate and listen to each other. By signing below, you agree to the following:

- I have read the expectations for students for participation in field trips.
- In the spirit of The Linden School mission, I agree to work cooperatively during the field trip.
