

Permission form for Community Day – Treetop Trekking (Gr. 4 – 12) on Wednesday, June 12th

Dear Parents and Guardians:

To bring our school year to a fun-filled end, students and teachers will be heading to Stouffville to participate in a full day of activities with Tree Top Trekking. Students in Gr. 4 and up can choose from three different programming options. Each option has varying levels of impact, but all activities are designed to accommodate beginners.

- Treetop Trekking** – a 25ft high ropes course that includes zip lining, and a variety of suspension bridges and swings.
NOTE: students must be 55” tall and nine years of age to participate in the Treetop Trekking course.
- Discovery Course and Treewalk Village** – The Discovery course is completed in a harness and a helmet. It is a 3-5ft low ropes course across bridges, balance logs and zip lines. The Treewalk Village is a tree house obstacle course connected by hammocks, nets and bridges that can be navigated independently.
- GPS activity** – with the help of a GPS unit, you will search for waypoints in the forest and solve riddles to earn points! This is a fun activity for individuals who would rather stay at ground level.

If you would like further information on any of these programs, you can find it at www.treetoptrekking.com We will trek rain or shine so please dress for the weather. Closed toed shoes are a must. Lunch will not be provided; so please ensure to send your daughter with lots of food and water to fuel the day. We will travel to and from the location on school buses.
