

Permission for: Ontario University Fair

Dear Families:

As part of the grade 12 program, students will be attending the Ontario University Fair at Metro Toronto Convention Centre on Friday, September 28, 2018. The purpose of this trip is to give students a chance to begin thinking about the various university options offered in Ontario. Students will attend individual information sessions of their choice during this outing. They will also be able to collect information from a variety of universities whose presentations they cannot attend.

Please note that this event is attended by hundreds of students from around the province. It is difficult for Linden students to remain together while attending specific information sessions. In addition, the Metro Toronto Convention Centre reserves the right to inspect any bags or purses brought into the fair and therefore recommends that students come without bags if at all possible. Students are advised to remain in contact by cell phone with Ruthie Cowper Szamosi while at the fair. In addition, students must have permission to travel home directly from the fair or they will be required to return to Linden with Ruthie and direct themselves home from there.
