Dear Parents/Guardians,

If your daughter is attending The Linden School in Grades 4, 5, 6, 7 or 8 this year, she will be in a string class with Ian Guenther.

Students are free to choose a violin, viola or cello. It is important that your daughter goes with a parent/guardian when arranging a rental. Instruments need to be sized correctly for each student musician.

Students who studied with me last year should have their instruments in hand on the first day of school, September 6. Beginner students must have their instruments at school no later than September 13. Classes meet on Wednesday and Friday each week.

If you have any questions or concerns, please contact me at [ian@lindenschool.ca](mailto:ian@lindenschool.ca). Please leave a telephone number in your email message.

Musically yours,

Ian Guenther

**P.S.** Consider buying a folding music stand. Hamilton or Yorkville music stands are good quality and are not expensive. These stands are for home use. Music stands will be provided for school use.
