

Increasing Federal and State Investment in Public Transit

October 24 @ 9:30 am - 1:30 pm
SEIU Local 32BJ, 26 West Street, Boston, 2nd floor

Public Transit is a Public Good that Deserves and Requires Public Funding

The ***Budget for All!*** Campaign invites you to a half-day forum

- The state of public transit in Eastern Massachusetts
- Investments needed for a modern and efficient public transportation system
- The impact of public transit privatization on riders, T employees and their unions
- The need for re-allocation of our Federal Tax Dollars to mass transit
- A role for the Congressional Progressive Caucus' Peoples Budget in mobilizing to improve mass transit

Panelists include:

- **Phineas Baxandall**, Mass Budget & Policy Center
- **Cathy Ann Buckley**, Mass Sierra Club
- Representative, T Riders Union at Alternatives for Community and Environment (ACE)
- Representative, Boston Carmen's Union, Local 589, Amalgamated Transit Union
- **Marjorie Decker**, Massachusetts State Representative, Cambridge
- **Cole Harrison**, Massachusetts Peace Action
- **Jonathan King**, Cambridge Residents Alliance and Budget for All
- **Jeremy Mendelson**, TransitMatters
- **Joshua Ostroff**, Transportation for Massachusetts
- **Concetta Paul**, Save our Section 8
- **Kirstie Pecci**, Mass PIRG
- **John Ratliff**, Mass. Senior Action
- **Paul Shannon**, Budget for All and American Friends Service Committee (AFSC)
- **Jack Spence**, 350 Massachusetts, Transportation Working Group

Space is limited – To attend please pre-register at <http://fed-invest.brownpapertickets.com/>. \$12 donation requested to cover expenses, no one turned away.

“Investing in public transit is essential to building and strengthening the economic and environmental well-being of our communities today and for future generations”
— Community Labor United, The Path to Better Public Transit
