

# East Somerville Highway Air Pollution and Noise: What Can We Do About It?

Hi Neighbor,

You are invited to attend a community meeting about what can be done to address highway pollution and noise in the neighborhood. It is an opportunity to learn more, ask questions and hear your concerns. The meeting will be at the Senior Center, 165 Broadway, on Tuesday, January 30 and starts at 6pm to 6:30PM for Pizza and cold drinks. Presentations and discussion will be from 6:30PM to 8:30PM. Spanish, Portuguese, Haitian Creole and Chinese interpretation will be provided.

The meeting is being organized and sponsored by Alderman Matt McLaughlin, State Representative Mike Connolly, East Somerville Main Streets, the Welcome Project and CAFEH, the Community Assessment of Freeway Exposure and Health Study (a collaboration of the Somerville Transportation Equity Partnership, Tufts University Schools of Medicine and Engineering and MAPC, the Metropolitan Area Planning Council).

If you have any questions about the meeting contact Ellin Reisner (STEP) at [617-776-1987](tel:617-776-1987) or email [reisnere51@gmail.com](mailto:reisnere51@gmail.com). For more information about CAFEH research on near roadway air pollution you can go to <http://sites.tufts.edu/cafeh/>.

Looking forward to seeing you on January 30, 2018,

Ellin Reisner
