

BROOKLINE COMPLETE STREETS PRIORITIZATION PLAN

Public Information Meeting and WikiMap

Improve your daily commute!

Help the town prioritize where to spend MassDOT Complete Street Funding dollars on walking, bicycling, transit and accessibility! Bring your ideas for improvements related to biking, walking, transit, and traffic safety. You can suggest sidewalk improvements, seating, better bus stops, bike lanes, traffic calming, intersection safety, and anything that might make your commute by foot, by bike, by transit, or by car safer or more fun.
