**GUEST SPEAKERS at
UNITY OF MELBOURNE**

Sunday Gathering:

Followed by a workshop from:

12.15-1.45pm

Most of us have struggled at some point with relationships in our lives—not just the “romantic” kind—but the everyday interactions we have with colleagues, neighbors, friends, and family. Through their Spirit-given marriage, Michael and Melanie have worked through many of the ego’s relationship dynamics and love to share their experiences of true, lasting healing using the non-dual teachings of A Course in Miracles. Their sessions are opportunities to practically explore how to have happier relationships and uncover what might be blocking us from experiencing love. Inside us all, there’s a wellspring of Self love that is bursting to be shared with everyone! It’s who we truly Are!

Workshop Cost: \$25
