

## **The Friends want *you!***

The Friends of the Lamoille Valley Rail Trail (FLVRT) are looking for a few good people to fill a variety of posts including the expansion of the working board, spearheading various projects and in general, helping the Friends accomplish their mission of "...supporting non-motorized users of the LVRT."

To this end, the FLVRT

- raises funds for non-motorized user amenities (benches, signage, trail maintenance and enhancements);
- Helps communities and businesses take advantage of the economic opportunities the trail offers;
- Recruits volunteers for a variety of trail maintenance tasks
- Promotes the trail far and wide

You do not have to be a member of the Board of Directors (BOD) to help the trail although Board members are being sought. Attributes and skills we're looking for include but are not limited to communications skills both written and oral; organizational skills; the ability to work well with others; computer skills; and anyone wishing to support this beautiful trail in any way. Your love of and enthusiasm for the trail will help you find a niche among the many volunteer jobs opening up for the Spring, Summer and Fall seasons.

Some specific jobs for which we would like to engage more people are: web site overhaul; member communications including data input; development of a few policies (BOD work); a BOD secretary; additional trail crew members; and more. The next meeting of the FLVRT Board is March 16<sup>th</sup> and we would like to have your letter of interest prior to that meeting.

If you think you'd like to become a volunteer supporter of the LVRT please send a letter of interest mentioning your area(s) of interest, skills and experience and including your contact information to Friends of the Lamoille Valley Rail Trail, PO box 995, Morrisville, VT 05661 or respond via email to [friendsoflvrt2@gmail.com](mailto:friendsoflvrt2@gmail.com)..
