

Corporate Sponsorship Opportunities

Work with us to help ensure that biking and walking becomes a way of life across Vermont!

Business sponsorships represent a significant portion of Local Motion's annual revenue, and generous business support has never been more critical than it is right now. **We will customize a sponsorship opportunity that's just right for your business:**

General Sponsorship is an annual philanthropic gift of any size to support Local Motion's statewide work. Benefits include online recognition and a social media thank-you.

Program Sponsorship is a customized and highly visible annual sponsorship of a Local Motion program or asset. These programs include the Island Line Bike Ferry, our Bike Smart children's program, Valet Bike Parking services, the waterfront Trailside Center bike rental operation, our e-Bike Lending Program, our brand new interactive Bike Vermont Map, and more. Benefits may include a featured business logo on the Local Motion asset, featured recognition on our website, a social media feature, invitation to our annual thank-you reception and special events, and more.

Event Sponsorship and In-Kind Donations will support Local Motion's statewide public events, chartered ferry cruises, classes and workshops for adults, and more. Benefits include public recognition on all related online and print media.

Workplace Giving & Matching is a simple and cost-effective way for any size business to meaningfully engage your employees in Local Motion's work. Some employers match or even double their employees' donations! Benefits include public recognition online, and a social media feature.

Employee Volunteering is a great way for employees to make a direct impact in the communities where they work, live, and play. Every year, hundreds of volunteers donate thousands of hours to support Local Motion's mission at the Bike Ferry, Valet Bike Parking, "Cone Keepers", administrative work, and much more. Plus, volunteer hours at Local Motion are eligible for City Market member worker credit!
