

Local Motion's Bike Smart Biking Scavenger Hunt for Kindergarten - 2nd Grade

Instructions:

Read this scavenger hunt through first, so you know what to look for. As always, be safe while biking on the road. Bring an adult with you, so they can help you be safe. If you're filling out the sheet, find a place with a lot of space off of the road, and stand off of the pavement while filling it out.

Things to find:

1) Your Helmet

Did you put it on? _____

2) A Stop Sign

What are you supposed to do when you get to a stop sign?

3) A Car Passing You (always watch for cars)

What color was the car? _____

4) An Intersection (where two roads meet)

What were the names of the streets at the intersection? _____

5) A Driveway

Did you check for cars coming before passing the driveway? _____
