

Peace Studies, coordinator of the Master of Environmental Advocacy degree, presents a

Public Forum on

Coal Seam Gas

8 April 2013

Speakers:

Tony Windsor | independent Member of the Australian House of Representatives

Assoc Prof Will Rifkin | Chair in Social Performance Centre for Social Responsibility in Mining | Centre for Coal Seam Gas

Sustainable Minerals Institute | The University of Queensland

Carmel Flint | Lock the Gate Alliance

Methuen Morgan | PhD student, School of Behavioural, Cognitive and Social Sciences, UNE

Phil Laird | Maules Creek Community Council Inc, North West Alliance for Health Impact Assessment. We are currently awaiting responses from Metgasco, AGL and Rob Stokes, Parliamentary Secretary for Renewable Energy, and Member of the Legislative Assembly, NSW.

NO

We hope that a range of views will be presented, with the aim of finding some common ground. Questions from the floor will be possible.

The forum will be followed at 1pm by the first film (The Sky is Pink) in the Nonviolence Film Festival (Arts Lecture Theatre 2).

Conference Room
Lamble Building
University of New England*
9.30 am to 12 noon
