Urgent Please make a submission, it isn't difficult but it is crucial.

Stop Narrabri gasfield

Coal seam gas (csg) is a polluting fossil fuel that threatens groundwater and our food bowl

98.7% of landholders near Narrabri oppose CSG, tell the **Independent Planning Commission (IPC)** that they're not alone.

Be heard: speak at the IPC's Public Hearing

Be seen: send in your written submission

Be in touch: watch IPC Public Hearing online
