HOW TO PLAY:

Print or make a copy of this activity card. Mark up all of the activities you complete. Submit your card by visiting londonenvironment.net/greenlondontour by May 1st at 11:59pm to be entered to win prizes from our local partners!

Participants must follow COVID-19 guidelines to participate.

GREEN LONDON TOUR

CARD 1 OF 4

1. **Enviro Activity** - Cook a plant-based meal.
2. **London Clean and Green** - Grab a garbage bag and gloves and clean up litter in your neighbourhood.
3. **Reimagine Co** - Visit [Reimagine Co](#) and learn how to reduce food waste at its special exhibition.
4. **Events** - Attend an upcoming event from the London Environmental Network's online events [calendar](#).
5. **Carolinian Canada** - Visit [My Wild Green Home](#) and browse resources to start your own wild garden at home.
6. **Western WildLife Conservation Society** - Learn about a [species at risk](#) in the area.
7. **Enviro Activity** - Walk, bus, bike, or carpool to your destination instead of using a personal vehicle.
8. **On The Move Organics** - Learn about a seasonal, local food from [On the Move Organics](#). Then make a meal with it!
9. **Thames Valley Trail Association** - Visit one of London's [21 Environmentally Significant Areas](#).
10. **Enviro Activity** - [Sign a petition](#) to support environmental change in your area.
11. **Friends of Kilally Meadows ESA** - Make London bird-friendly: turn off lights at night or install window stickers/reflective glass.
12. **London Cycle Link** - Become a member of [London Cycle Link](#) and book a visit to Squeaky Wheel Bike Co-op.
13. **ML Food Policy Council** - Conduct a [7-day plate waste audit](#) to track the avoidable food waste generated.
14. **Events** - Attend an event through the London Public Library's Environmentalist in Residence program.
15. **London Middlesex Master Gardeners** - Learn about the Herb of 2021 at [London Middlesex Master Gardener's website](#).
16. **Enviro Activity** - Participate in the City of London's [Climate Emergency Action Plan](#).
