LET'S BOOST YOUR SIGNAL!

We are stronger together!

ReForest London & London Environmental Network (LEN) team up to dramatically increase the number of London's public environmental education opportunities.

Join us in the **NEWLY** created Westminster Ponds Centre Volunteer Training Centre to offer a variety of workshops to increase environmental skills, capacity, and knowledge here in the Forest City!

Host your workshop in the Volunteer Training Centre at Westminster Ponds Centre

Inside the Ecosystem

Workshop topics delivered by LEN members include:

- ⇒ Urban Forestry
- ⇒ Green Energy
- ⇒ Food Security
- ⇒ Capacity & Skills Building
- ⇒ Composting
- ⇒ Sustainable Transportation
- ⇒ Restoration Ecology
- ⇒ Biodiversity
- ⇒ Pollinator Gardens
- ⇒ **And much more!**

Let Us Help You!

- ⇒ Free training space or use of our Zoom platform
- ⇒ Deliver workshops
- ⇒ Planning help
- ⇒ Boost your Ideas
- ⇒ Help your volunteers and staff build their skills
- ⇒ Event promotion

We meet you where you're at to help you deliver a high quality project in London.

First Time: Up to $400+ in funding is offered to covered costs

Returning LEN Member with new idea: Partial funding may be available—Contact us to discuss your idea!
