**LORI STANDS OUT**

*For* **District Attorney**

“The Fairfax Police Officers’ Association is proud to endorse Lori Frugoli for Marin County District Attorney. We have personally witnessed her work over the years as she has tried cases that we were involved in. We have been consistently impressed with her work ethic and her dedication. She has a thorough understanding of what is required, based on her decades of experience and a wide range of laudable goals, including launching a collaborative Veterans Court, working to educate and protect seniors from financial scams and finding a way to increase funding for local sexual assault examinations. She believes in being tough on serious crime, but understands that there are times when restorative justice will produce better results for the community. We believe that Lori Frugoli is the best choice for Marin County District Attorney.”
