Name	Jason VanSickle
Email	jasonvansickle15@gmail.com

Phone Number	(507) 261-9048
Are you a dues-paying member of the National Party? Since when?	I am not.
Are you a registered Colorado Libertarian? Since when?	Yes, I am. I became registered as a Colorado Libertarian shortly after moving to Colorado in November of 2017.
How are you involved in any local Libertarian activities?	I have gone to one meeting in Denver since joining.
Have you ever served as a National Convention Delegate before? When and for what state? Do you understand the duties? (email communicationsdirector@lpcolorado.org if you would like more details)	I have not served as a National Convention Delegate before. My highest level of participation as a delegate thus far has been as a State Convention Delegate in 2012 with the Republican Party. Ron Paul!
The convention is June 30-July 3 2018 in New Orleans. Will you commit to be present (unless in another convention activity) during the business sessions? Will you commit to research and know the issues that you may be voting on?	I am fully committed to going to the convention with all the knowledge necessary to fulfill my role as a delegate representing the Libertarian Party of Colorado.
Will you agree to disclose your votes on any measure and keep a record of same?	If it is asked of me, I will consider it. I would like to say yes, but it depends on the circumstances.
Have you read the Statement of Principles? Do you agree with it? All delegates are	Yes, I agree with it.

required to sign off on an attestation of affirmation.

If not selected as one of LPCO's primary delegates, would you accept an alternate position? Alternates do not need to commit to attend unless they are informed that a primary spot has been vacated, but they are encouraged to attend.

Yes

When did you first read the National Platform and Bylaws? Have you read the past Platforms and Bylaws of the Party?

I first read the National Party Platform and Bylaws in 2012. I read again in 2016.

Please give a brief (a few sentences) summary of your understanding of Libertarian philosophy?

The self-ownership principle and non-aggression principle are superb values that when applied create an environment that is beneficial to human happiness and progress.

Is there anything else you wish to add? You may submit additional sheets or a resume by emailing communicationsdirector@lpcolorado.org

I am very excited to lend my voice to the Libertarian Party and am very excited to be a potential delegate to the National Convention. I can't wait to be surrounded by fellow libertarians!

What is the airspeed velocity of an unladen swallow?

What do you mean? African or European swallow?
