National Delegate Application

Name Richard Longstreth
Email tietjen002@gmail.com
Address
Phone Number (931) 5389300

Are you a dues-paying member of the National Party? Since when?
Yes, November 2015

Are you a registered Colorado Libertarian? Since when?
Yes, August 2014

How are you involved in any local Libertarian activities?
LPCO and attend as many local meetups across the state as possible

Have you ever served as a National Convention Delegate before? When and for what state? Do you understand the duties? (email communicationsdirector@lpcolorado.org if you would like more details)
Questions answered in order asked: No, N/A, Yes

The convention is June 30-July 3 2018 in New Orleans. Will you commit to be present (unless in another convention activity) during the business sessions? Will you commit to research and know the issues that you may be voting on?

Hotel is already reserved and ticket bought. I'm going whether a delegate or not as the platform committee representative for Colorado.

Will you agree to disclose your votes on any measure and keep a record of same?
Of course. Transparency is essential

Have you read the Statement of Principles? Do you agree with it? All delegates are
Yes. Yes.
required to sign off on an attestation of affirmation.

If not selected as one of LPCO's primary delegates, would you accept an alternate position? Alternates do not need to commit to attend unless they are informed that a primary spot has been vacated, but they are encouraged to attend. I'd be disappointed, but yes

When did you first read the National Platform and Bylaws? Have you read the past Platforms and Bylaws of the Party? I'm not sure when I first did but it was a long time ago. Yes, I've read post platforms and am currently in the national platform committee.

Please give a brief (a few sentences) summary of your understanding of Libertarian philosophy? Each person should be able to do as they please provide they are not getting anyone, sanding someone else's property, or taking the property of another without that person's consent.

Is there anything else you wish to add? You may submit additional sheets or a resume by emailing communicationsdirector@lpcolorado.org Not at this time, however, in full disclosure, I may get a new job between now and the convention and I sincerely hope to represent Colorado regardless of where I live at the time of convention since I've been active in leadership in the Lpco for the last several years. If I do move, it will happen less than three months prior to the national convention.

What is the airspeed velocity of an unladen swallow? I direct your inquiry to the following website. If I don't know the answer, I research and find it. I would do the same regarding each vote as Colorado's representative:
