Local candidates also chosen at a recent county convention include Richard Bronstein for State Senate District 20, Ron Newsome for State Assembly District 17, Bruce James-Newman for State Assembly District 29, and Douglas Marsh for Clark County Commission G. Wendy Stolyarov also announced her intention to seek election to the Mayor of Sparks.

"We're really excited about giving Nevadans an alternative to the broken two-party system this year" commented LPN Executive Committee Chairman Jason Smith. "This is what we've been building toward these past 14 months, where we gained over 1100 new registered voters! I know voters are ready for change with a failure like Trump in the White House."

LPN Executive Director Alexander DiBenedetto added "With less than 42 voters to reach 1% total statewide voter registration, I know the LPN will have a much greater impact on elections this year; we plan to beat the spread in every election and give all Nevadans a chance to say 'No!' to the Republicans and Democrats."
