

**Clark County LP Executive Committee**  
**Second Quarter Meeting Minutes**  
**June 4, 2020**

**Members Present:** Steve Brown, Paolina Taglienti, Ron Fink, Julie Godfrey, and Bruce Newman  
**Members Absent:** Debra Payne Debmon

**I. Call to Order -- 5:35 p.m.**

**II. 1st Quarter Minutes Approved and 2nd Quarter Agenda Approved with one addition to Other Business.**

**III. Old Business**

The following decisions were a result of our last executive committee meeting. It was decided to post links to the candidate bios currently on the State site on the County Website. Paolina, Bruce, and Ron will be granted access to the County site for additions, corrections, etc. They will also make sure that there is a link to the State site on our site. Paolina will be responsible for putting in that link as well as posting our executive committee meeting dates. Bruce will be responsible for posting events. Once a month, Steve will organize and post other events on the site and text the executive committee members after posting.

Steve brought up that when anyone goes into the County site, it asks for information such as email, phone, etc. Then, an auto response is sent from the site. He would like a more personal response to go out. He also said that we need to keep a list of interested people who have gone on the site as well as donors.

It was decided that we will write an amendment to the State Bylaws, stating that most of the county funds (those funds gained through county dues and donations on the State site) be sent to the county party. Paolina will scan the bylaws, read through them, and find a volunteer to write the amendment. The executive committee will then approve it and determine how to send it to the State Executive Committee.

**IV. Officer Reports**

**Chairman's Report**

Steve discussed the website "Being Libertarian," which isn't a Libertarian site but which sells a variety of Libertarian T-shirts, caps, pins, etc. He suggested that we use Printify to make shirts etc., put them on the site and sell them to make some money. Steve and Ashley will work on which items to choose and how to get them up for sale. To begin, we will use the current items with Libertarian messages. It was decided to sell the shirts and caps for \$20.00.

### Vice Chairman's Report

Paolina addressed communication. She suggested that the application GroupMe be used for the communication list (interested people who have given us email, phone, etc. (on the County site). She will convert all of the information to GroupMe and send out messages, including upcoming events.

She also informed the rest of us on the latest information from the National Convention. She told us that some State parties have threatened not to continue affiliation with the national party, which will be in Orlando in July. She will keep us updated.

### Treasurer's Report

Ron reported that he spent \$250 of his own money to purchase a good, used laptop. He has loaded accounting applications on the laptop in preparation for keeping up to date records. Our current checking account is at Nevada State Bank and Ron does not have access to that account. Steve and Ron will update the signatories on the account before our next meeting. Currently, we have approximately \$245 in the account. Ron will bring the laptop to our next meeting to show us his accounting applications.

### At Large Representative Report

Ron told us that he will have no report until the city opens up completely. He did inform us that he runs the County Libertarian Twitter account. In addition, he has a Twitter feed.

### **V. Other Business**

The group had a lengthy discussion of the current riots in the city and around the nation. No suggestions or decisions were forwarded from that discussion.

**Our Next Meeting will be September 3, 2020, at Denny's on Nellis and Stewart, at 5:30 p.m.**

**VI. Adjourn: 7:11 p.m.**
