

Clark County LP Executive Committee
Third Quarter Meeting Minutes
October 1, 2020

Members Present: Steve Brown (via FaceTime), Paolina Taglienti, and Julie Godfrey

Members Absent: Debra Payne Debmon and Bruce Newman

I. Call to Order -- 5:40 p.m.

II. 2nd Quarter Minutes Approved and 3rd Quarter Agenda Approved

III. Old Business

As of now, the County Website does have events links and candidate bios links. There is still no link to the State site. Auto-response and list of people accessing the site would have to be done by Ashley. We still need to ensure that others have access to emails and the site (other than just Ashley).

Bylaws Amendment -- It was decided that instead of writing an amendment to the bylaws, it should be possible to add an additional \$10 donation to the county party when people join the State party. They could choose to give the \$10 or not. Paolina will contact the State Party to find out how this can be done.

LPCCNV.com -- It was suggested that we can look at the site to determine how sales are going.

GroupMe Account -- Paolina has worked hard to include any interested people. They are all listed on the account.

IV. Officer Reports

Chairman's Report: Steve reported that there is a target of 15,000 to 20,000 election flyers to be distributed. As of Oct1, 5,700 have been distributed. They are targeting apartment complexes and condos.

Vice Chairman's Report: No report

AtLarge Representatives Report: No Report

Treasurer's Report: No report because Ron Fink resigned

V. Other Business

It was decided to leave the Treasurer post open until the County Convention.

Our Next Meeting will be Thursday, December 3, 2020, at 5:30 p.m.

Location to be determined.
