

Clark County LP Executive Committee
Fourth Quarter Meeting Minutes
December 3, 2020

Members Present: Steve Brown (via FaceTime), Paolina Taglienti, Gregg Luckner, and Julie Godfrey

Members Absent: Debra Payne Debmon and Bruce Newman

I. Call to Order -- 5:35 p.m.

II. 3rd Quarter Minutes Approved and 4th Quarter Agenda Approved

III. Old Business

Steve Brown reported that he would speak to Ashley (web site administrator) in the next week to get two things completed: creating a link from our County site to the State site, and making Paolina an administrator of the site so that she can get into the site and make changes.

There was also a discussion of the addition of a \$10.00 donation to the County Party when members pay their State dues. Because it is a donation and not required for membership, we feel this is a good way to increase our revenue. It also would not require a by-law change. Paolina will call David Colborne, State Party Vice Chairman, to find out how we get the donation added the State site.

IV. Officer Reports

Chairman's Report: Steve noted his regret that the Libertarians didn't do better in the election. No report

Vice Chairman's Report: No report

AtLarge Representatives Report: No Report

V. Other Business

1st Quarter Exec Committee Meeting will be held on February 4, 2020 at 5:30 p.m.
