

Bylaws Proposal 1 - Submitted by Tim Hagan on 12/5/2016

IV. Convention

Section 8. Candidates for Partisan Public Office. The LPN may nominate Candidates for Public Office by ballot of the Convention during an even-numbered year.

- A. Candidates for President and Vice President shall be nominated by the National Convention of the Libertarian Party.
- B. Candidates for United States Senator, all statewide offices, and any office for which the district lies within more than one affiliate shall be nominated at the Convention of the Libertarian Party of Nevada.
- C. Affiliates may nominate candidates for any office for which the district lies entirely within the affiliate's territory. The Secretary of an affiliate shall file a list of its nominated candidates with the Secretary of the LPN by the start of the Convention.
- D. The LPN may nominate a candidate for any office that falls completely within one affiliate, unless the appropriate affiliate convention has either selected a candidate or voted NOTA for that office for that election. No more than one candidate may be elected to be the nominee of the Libertarian Party for any partisan office.
- E. The Secretary of the LPN or the Secretary's representative shall file a list of the nominated candidates with the Secretary of State of Nevada, in accordance with Nevada law.
- F. Except for President and Vice President, candidates must be LPN members and must certify in writing that they oppose the initiation of force to achieve political and social goals.

Author's Note in Favor: This is in response to me getting bashed for getting the LNC to donate to John Moore's campaign, and then him voting to fund the stadium and not being a member of the national party. This amendment will not prevent something similar from happening again, but it will get the party's candidates to say that they agree with basic libertarian principles.
