Presentation on the progress of the 2020 Convention. Ryan Teeter reports that there have been 30 RSVP's, and 13 ticket purchases. Ryan Teeter on behalf of the Convention Committee is researching procurement of funds donors to sponsor the Convention to offset the expenditures and submitted a proposal for the LPNC to actively advertise the Convention with \$100. A general discussion shows unanimous approval of the measure with this item falling within the Chair's purview to approve.

Discussion on Candidate Recruitment/Development Strategies on if there is a need to prioritize State Races vs Local Races. Both being important, the staffing to effectively run a campaign on multiple levels requires people, funds and time. A direct factor in this is the size of the Affiliate involved as well as the number of its members. It was mentioned that as far as local races are concerned it mostly affects the local affiliate and that races largely concerning the LPNC are State level. It was also mentioned that the elected office of Sheriff has the ability to strongly impact the political landscape reaching state level. .

Meeting adjourned at 9:16pm

Respectfully Submitted,

Donald Reid Deal  
Secretary
