

Become a member of the Board of Directors of the Lynn Valley Services Society @ Mollie Nye House

LVSS operates the Mollie Nye House as a small community centre in Lynn Valley. The Heritage House is opening again. We are moving forward!

Throughout the year we welcome Board members from all three North Shore municipalities. Be a part of “Bringing People Together”.

Why join the Board?

Please consider the following:

1. You live on the North Shore and care about community.
2. You bring your unique set of skills and ideas to the LVSS Board. This could be in social media, Human Resources, finances, planning or general interest, as well as previous Board or committee experience, or consider a new experience with non-profits. Your commitment would be for 1 – 2 years.
3. Board members stay connected through meetings, committee work and sharing skills to support the Vision of LVSS. This entails 4 - 5 hours per month or more if we host special events. Do you have the time and resources to be an active member of the Board?
4. Board members are volunteers who are passionate about a vision for the future of the Mollie Nye House. What does leadership mean to you?
