

Join Us for Opening Day Rally Jan. 9th in Annapolis

Clean Energy Jobs Act

On Wednesday, Jan. 9, the first day of the 2109 Maryland legislative session, a coalition of environmental groups are staging a rally to call attention to the Maryland Clean Energy Jobs Act, a priority for the League of Women Voters of Maryland.

What: The Clean Energy Jobs Act Rally

When: Wednesday, Jan. 9, 11:00 am to 12 noon

Where: Near [Lawyer's Mall](#) in the grassy area on the southeast side of the House of Delegates, College Ave., Annapolis.

84 delegates in the House and 30 Senators have pledged to support the bill. The bill is poised to pass just as experts say we need it most.

The Clean Energy Jobs Act is Maryland's answer to combating climate change. It would commit us to 50% renewable power by 2030 and create a just and equitable pathway to 100% clean, renewable electricity by 2040. It would also invest millions of dollars in workforce development and make sure to keep electricity bills low.
