

Advocate for Redistricting Reform

Baltimore City LWV and Baltimore County LWV are teaming up to advocate for redistricting reform, one of the State League's top priorities.

If you received this email, it is because **your State Senator is a member of the Senate Education, Health and Environmental Affairs Committee OR your State Delegate is a member of the House Rules and Executive Nominations Committee**. We are asking you to reach out to your senator or delegate about two bills.

The Senate EHEA committee has already held a hearing (2/28) on **[SB 90](#) Elections - Legislative and Congressional Redistricting and Apportionment - Commission and Process** and **[SB 110](#) -Congressional Districts - Standards**. We are concerned about these bills not being passed out of Committee, so we are asking that you call or email your representative on the Senate EHEA committee as soon as possible to **urge them to vote favorably on these bills to move them out of Committee**.

The House Rules and Executive Nominations Committee will be holding a hearing on March 4 on the cross-filed **[HB 43](#) Elections - Legislative and Congressional Redistricting and Apportionment - Commission and Process** and **[HB 463](#) - Congressional Districts Standards (Anti-Gerrymandering of Maryland's Congressional Districts)**. Please call or email your representative that Committee with the same message – urge them to vote these bills out of Committee.
