Garrett County
Voters’ Guide
2020 Primary Election

About this Voters’ Guide

This Voters’ Guide is published by the League of Women Voters. The League has a long tradition of publishing the verbatim responses of candidates to questions important to voters. The League offers this Voters’ Guide to assist citizens in their decision-making process as they prepare for participation in the general election. The League of Women Voters does not support or oppose any candidate or political party.

All candidates were asked to provide biographical information and to respond to a nonpartisan questionnaire. Candidates running for the same office were asked identical questions. Responses from state and local candidates who will appear on the ballot are printed exactly as submitted to the LWV. We did not edit for content, spelling, or grammar. Presidential candidates’ responses were limited to 750 characters. All other candidates’ responses were limited to 400 characters and any additional material was cut off at that point. If a candidate did not respond by the print deadline, "No response received by deadline" is printed.

Additional information on the candidates is available at VOTE411.org, which has any updates received after the deadline. Candidate websites provide additional biographical and policy information. If the candidate submitted a campaign website, it is listed under her/his name.

The League assumes no responsibility for errors and/or omissions.

Election Information

Three Ways to Vote

1 - Vote Safe, Vote by Mail
Because of the risk of transmitting COVID-19 wherever large numbers of people are gathered, voters are strongly encouraged to vote by mail. Vote in person only if you cannot vote by mail.

Ballots will be mailed to voters on the active voter registration list and will be accompanied by an envelope with prepaid postage for returning the ballot. **Be sure to sign the oath on the envelope, or your vote will not be counted.**

Voters will receive a Republican or Democratic ballot if they are affiliated with one of those parties. See the information on the next page about “closed-primary” elections. If you do not receive a ballot and believe you are eligible to vote in this election, please contact the **Garrett County Board of Elections at 301-334-6985.**

**Ballots must be postmarked or returned to a secure drop box by 8:00 pm on Election Day, June 2.** The State Board of Elections website includes a form to check that your ballot was received. Drop boxes will be available at the following location from May 21 through June 2.

Vote Center:
Oakland Community Center (The Armory)
14 N. 8th Street
Oakland, MD 21550

**Protect your ballot** - Do not give your ballot to anyone who offers to collect ballots. Put it directly in the U.S. Mail or in a Board of Elections drop box.

2 - Limited In-Person Voting on Election Day
To ensure that all voters have an opportunity to vote, in-person voting will be available at the Vote Center listed above from 7:00 am to 8:00 pm on June 2.

Voter registration will be available, as will marking devices for use by voters who would have difficulty reading and/or marking a paper ballot. Voters who did not receive a ballot in the mail and voters who cannot mail the ballot they received should also go to the Vote Center.

3 - Absentee Voting
If you asked for an absentee ballot for this election, you may have received it already. If you have, please follow the instructions you received. Vote your ballot, **sign and date the oath**, and place both the ballot and the oath in an envelope. Be sure the envelope is addressed correctly and includes your ballot number.

If you would prefer to receive your ballot electronically, please call or email your local board of elections. When your ballot is ready, you will receive an email with a link to your ballot. You must print your ballot and the sign the oath. If you do not see an email from the State Board of Elections, check your spam folder.
“Closed-Primary” Elections

Maryland is a “closed-primary state”. Only the Republican and Democratic parties will be choosing their candidates in the upcoming election. Other political parties will choose their candidates by other methods.

What does a “closed-primary” mean for voters? In partisan races, voters registered as Republicans may vote only for Republican candidates and voters registered as Democrats may vote only for Democratic candidates. All registered voters may vote in non-partisan races such as Board of Education. If there are no non-partisan races on the ballot in a given county, independent and third party voters will not vote until the general election in November.

U.S. President

**DUTIES:** The President is the head of state of the United States of America; the Chief Executive Officer; and the Commander in Chief of all military forces. The powers of the President are prescribed in the Constitution and federal law. The President appoints the members of the Cabinet, ambassadors to other nations and the United Nations, Supreme Court Justices, and federal judges, subject to Senate approval. The President, along with the Cabinet and its agencies, is responsible for carrying out and enforcing the laws of the United States. The President may also recommend legislation to the United States Congress.

**TERM:** Four years. Limit of two terms.

**BASE SALARY:** $400,000 per year.

**Criteria for Participation in VOTE411.org:** All presidential candidates who will appear on Maryland’s ballot are listed below. The League of Women Voters of the United States, through the League of Women Voters Education Fund (LWVEF), established criteria to determine which candidates to invite to respond to questions for the Voters’ Guide.

Candidates qualified for invitations from LWVEF to provide responses to specific questions if they met the following criteria:
- The candidate must have made a public announcement of her/his intention to run for President.
- The candidate must have met the Presidential Election Campaign Fund Act’s minimum contribution threshold requirements for qualifying for matching funds, based on the most recent data publicly available on the Federal Election Commission’s website.

LWVEF is required to have at least two candidates for President from the same party meet the above criteria before they are invited to answer the League’s questions and to have their responses printed in a voters’ guide.

**Questions**

**ELECTIONS AND VOTING:** What policies do you support to improve and secure elections and voting in our country?

**COMMON GROUND:** Please explain where you see opportunities for Democrats and Republicans to find common ground on the very serious issues facing our country.

**IMMIGRATION:** What, if any, steps will you take to reform current immigration policies?

**GUN VIOLENCE:** Please explain the policies, if any, you support to address gun violence in America.

**CLIMATE CHANGE:** What, if any, actions would you work towards in your first 100 days to address the threats facing the US due to climate change?
Republican Candidates
Republicans may vote for 1

The League of Women Voters Education Fund (LWVED) requires that at least two candidates for President from the same party meet the above criteria before launching a Voters’ Guide covering that party. At this time, only one candidate running for the Republican Party’s nomination for President has met the LWVEF criteria listed above. Therefore, no Republican presidential candidates have yet been invited to participate. As soon as any two Republican candidates meet the criteria or the party’s national nominating convention occurs, LWVEF will invite the qualified candidate(s).

Both the Republican candidates for U.S. President listed below appear on the Maryland ballot.

The following candidate met the LWVEF criteria for participation in VOTE411, but see the full description of the invitation process above.

Donald. J. Trump

The following candidate did not meet the LWVEF criteria and has withdrawn or suspended his campaign.

**HEALTH CARE:** Would you vote to continue the Affordable Care Act as it is, expand it, or eliminate it? Please explain.

GOALS: To offer my fellow citizens (my country) the opportunity to have a Rep. who will perform their most basic duty, protecting you from those who would use your Government against you. To defend the ideas & principles that my father (Vietnam), my wife & I (Post 9/11) have served & sworn to protect. I am running because I understand that my freedom is directly related to yours.

IMMIGRATION: Secure our borders. End sanctuary cities for violent criminals. Protect Americans by ensuring those who come into our country mean its citizens no harm. After securing the nation, we must focus on dealing with those who have been in the country already.

HEALTH CARE: I would end the Affordable Care Act. We need to move this sector of our economy back to market-based solutions. We must allow the consumers to control the $3.6 trillion spent on health care, not Gov. officials & special interest. Like all resources, either we decide through our choices their cost & allocation or others decide for us.

ENVIRONMENT: No response received by deadline.

No response received by deadline.

ECONOMY: No response received by deadline.

DISCRIMINATION: No response received by deadline.

STUDENT LOANS: No response received by deadline.

GOALS: I care about our future as a nation. I run to act on the issues that will help the middle class and to end hostilities in Asia and bring troops home. Invest eight trillion dollars on domestic priorities. My priorities are bringing the cost of college education down and wipe out portions of student debt and bring tax burden of families making less than 300K. Strengthen public education.

IMMIGRATION: No change is needed.
HEALTH CARE: ACA needs to be revised and improved. My goal is bringing a third medical school to Maryland. I envision a large medical university and VA hospital closer to Fort Detrick and National Cancer Institute in Frederick. I will strive to remove various barriers to improve the healthcare delivery.

ENVIRONMENT: Clean air, land and water is essential for us and future generations to come. I will support following actions. Chesapeake Bay Regional Authority will be established to mitigate and clean our land and waterways and restore the ecosystems with 5 billion dollar investment over a decade.

GUN SAFETY: I am very sensitive on this topic as my son's friend and his sister and mother were murdered by his father. Second Amendment Rights must be protected and also we need to come together with an understanding and consensus on measures to prevent mass killings.

ECONOMY: The worst case of income gap is homeless working people and homeless veterans. I will introduce variable minimum wage based on data points with the e-verify process.

DISCRIMINATION: There are 6 billion people live in the world and they are different in so many ways. We could solve the bias with mutual respect and understanding rather than by legal force. I will make Non Disclosure Agreement (NDA) waived if aggrieved party decides so.

STUDENT LOANS: Will bring the cost of college education down and wipe out portions of student debt. Out of State tuition will be abolished across the board in Public Universities with federal reimbursement. Rural Americans will be recognized and designated as a diversity population for Affirmative Action in college admission. 529 plans will be federal and state tax exempt allowing parents to save tax free.

GOALS: Washington DC is a mess. District 6 needs a representative who lives in the District and who will work to improve our community and our country. I care about our nation and want to ensure that our children, that future generations, will have the same opportunities and freedoms that we enjoyed. Instead of playing political games, I’ll work for you to bring common-sense, practical solutions to DC.Washington DC.

IMMIGRATION: Existing immigration laws need to be followed. Lack of immigration enforcement and a porous southern border have led to suffering from gangs like MS 13 who terrorize our District, opioid and fentanyl deaths, and increased human trafficking. Sanctuary cities need to be stopped, the border wall needs to be constructed, and companies who take advantage of illegal aliens should be heavily fined.

HEALTH CARE: The Affordable Care Act is anything but affordable. Since passing, health insurance, health care, and prescription drug costs skyrocketed. The quality of care has also degraded; when did you last see a real doctor instead of a PA? Our country can do better by repealing and replacing Obamacare by using free market solutions that will bring costs down and increase quality of care.

ENVIRONMENT: The primary world polluter is China. They dump over 96% more plastic into the ocean than the US and contribute the largest percentage of the worlds CO2. Given that, the US should not sacrifice our manufacturing jobs to countries that do not have
effective environmental laws. Trade laws as a negotiating tactic to get China and other countries to pollute less.

**GUN SAFETY:** Access to firearms is guaranteed by the 2nd Amendment. Our country has a violence epidemic. A major cause of the problem is that we no longer adequately treat the mentally ill as we should. Instead, they often live untreated until they commit an act of violence. Jails have been turned into our new insane asylums. Our jails should be for the career criminals who terrorize our communities.

**ECONOMY:** The American experiment has worked and is working. Our economic system is based on the government valuing property rights and providing a fair playing field so that everyone has the chance to succeed. Our system allows people to pursue their own individual goals, where incentives are provided to invest, to take risks, to work hard, or to acquire new skills.

**DISCRIMINATION:** Martin Luther King indicated that, “I have a dream that my four little children will one day live in a nation where they will not be judged by the color of their skin but by the content of their character.” It’s time for government policies to embrace this concept. For example, merit should be used to decide who receives government contracts and to decide who is accepted into AP classes.

**STUDENT LOANS:** Education. As a member of the Maryland House of Delegates, I manage a college scholarships program. When 1st year students apply, I ask them to read finance materials and to write a paper about the effect of college debt. Unfortunately, schools aren’t teaching our students proper financial literacy, and this year I’ve introduced a bill to require financial literacy to be a part of the curriculum.

**Democratic Candidates**

Maxwell A. Bero

Campaign Website: http://www.maxwellbero.com
Campaign Facebook: http://facebook.com/beroforcongress
Campaign Twitter: twitter.com/beroforcongress
Campaign Instagram: IG: @beroforcongress

**GOALS:** I believe that real, progressive change, such as the Green New Deal and Medicare-for-all, is both possible and necessary in our country. The 6th District is my home; I grew up here, I live here, and I work here. I’m tired of not seeing my representatives in Congress fight for real progressive change, and want to do my best to deliver real change for my district.

**IMMIGRATION:** I support simplifying the path to citizenship and invest in widespread English education for all immigrants, to make it easier for immigrants to integrate into, and partake in, American society. We need to end the policy of separating families at the border; our country should not be in the business of building walls and turning people away, but rather welcoming people from all backgrounds.

**HEALTH CARE:** I support implementing single-payer Medicare-for-all. While the current Affordable Care Act helps some people, it does not go far enough to guarantee comprehensive health care to all citizens. Health care should not be tied to one’s job; no one should make a career decision based on insurance coverage. The government should provide comprehensive health coverage to all citizens.

**ENVIRONMENT:** The federal government needs to come together to pass the Green New Deal, and make environmental protection and addressing climate change a priority across
the entire country and economy. The US should also take a leadership role on the world stage by rejoining the Paris Climate Agreement and working with other countries to address climate change on a global scale.

**GUN SAFETY:** I support increasing background checks and red flag laws to prevent dangerous people from being able to own and purchase guns. I also support reinstating the assault rifle ban and limiting the size of magazines available to consumers, and expanding voluntary buyback programs, so people can voluntarily get guns off of their streets and out of the hands of criminals.

**ECONOMY:** I support raising the federal minimum wage to $15, and then tying the minimum wage to the rate of inflation, so that the economy does not expand faster than the wages of the working class. I also support a wealth tax and a new progressive tax bracket for those making over $10 million a year, to ensure that our wealthiest citizens are not hoarding wealth at the expense of our poorest Americans.

**DISCRIMINATION:** I support any and all legislation that makes any discrimination illegal, and fully support the ratification of the Equal Rights Amendment. All citizens should feel secure in their ability to get and hold a job, have housing, and live their daily lives without fear of harassment and discrimination.

**STUDENT LOANS:** I support legislation that ensures a free path to a 4-year degree is available to all Americans, which would include a free 2-year associate's program at local community colleges. I will also support a student loan forgiveness plan that immediately eliminates all individual student loans less than $50,000, and progressively reduces loan amounts above that.

**GOALS:** I’m running for reelection because we need people in Washington who think long-term and are committed to helping America’s most vulnerable. While we have made strides towards this goal, we must do more to end the opioid epidemic, reform our criminal justice system, and ensure every child receives a quality education. I’m committed to remaining in this fight for people.

**IMMIGRATION:** Immigrants are vital to maintaining the success and spirit of our nation. I support comprehensive immigration reform, and I was proud to help the House of Representatives pass H.R. 6, the Dream and Promise Act, which would protect our Dreamers and those granted Temporary Protected Status. I will continue to work to against inhuman and cruel policies such as travel bans and family separation.

**HEALTH CARE:** The ACA helped millions of people access care, and it has played a crucial role as a step toward universal coverage. While we work to stop the Administration from sabotaging it, we also need to work to build a healthcare system that lives up to our values and guarantees healthcare as a human right. I support allowing every American to buy into Medicare, creating a public health insurance option.

**ENVIRONMENT:** I’m proud to be endorsed by the Sierra Club, and I am honored to serve on the Foreign Relations committee, which is dedicated to crafting international environmental policy. Climate change is real, and we must act to combat this urgent threat before it is too late. House Democrats have acted to pass, the Climate Action Now Act, which requires the federal government to remain in the Paris Agreement.

**GUN SAFETY:** Thoughts and prayers from politicians do nothing to reduce gun violence.
Action from Congress, like H.R. 8, does. We need to enact common sense gun legislation, including universal background checks, closing the gun show loophole, banning bump stocks and military-style assault weapons. We also need to take the power back from the gun lobby. The lives of all Americans are too important to risk.

ECONOMY: The Trump administration’s tax cuts for America’s most wealthy do nothing to improve the lives of working Americans. We need to reverse the Trump tax cuts and write a more equitable tax code to ensure that the wealthiest Americans pay their fair share. I was also proud to support the Raise the Wage Act in Congress, which would raise the minimum wage to $15 an hour.

DISCRIMINATION: I am a proud co-sponsor of the Equality Act, which provides non-discrimination protections for LGBTQ+ people in the areas of employment, housing, credit, and education among others. This is just one of the many bills passed by the House that is sitting on the Senate Majority Leader’s desk. It’s time for the Senate to take a vote and ensure that we protect the rights of our minority communities.

STUDENT LOANS: I took out student loans to help finance my education, and as the only Member of Congress from Maryland serving on the Education and Labor Committee, I’m committed to reforming our education system and reducing student debt. We need to protect programs like the Public Service Loan Forgiveness program so that graduates who enter a career in public service don’t wind up with crippling debt.

**Delegates and Alternate Delegates to the Republican National Convention**  
**Congressional District 6**

Maryland will send a total of 38 delegates to the Republican National Convention, which will be held August 24-27, 2020 in Charlotte, NC. Each of the Congressional Districts will elect 3 delegates and 3 alternates. Each voter may vote for up to 3 candidates for delegate and 3 candidates for alternate.

In addition to the 24 delegates elected by the voters, 11 at-large delegates will be selected at the Maryland GOP convention by members of the State Republican Central Committees or their proxies. The votes of at-large delegates will be allocated to the presidential contender receiving the greatest number of votes in the primary statewide. Finally, three party leaders (the National Committeeman, the National Committeewoman, and the chairman of Maryland’s Republican Party) will attend the convention and vote by virtue of their positions.

Candidates were asked to respond to two questions. Due to the number of candidates, the list of candidates, their answers and the links to their social media sites may be found at [VOTE411.org](http://VOTE411.org).
Female and Male Delegates
to the Democratic National Convention
Congressional District 6

Maryland will send a total of 119 delegates and 8 alternates to the Democratic National Convention, which will be held August 17-20, 2020 in Milwaukee, WI. Voters from each Congressional District will vote for 7 to 9 delegates per District, for a statewide total of 65 elected delegates. Male and female delegates will be selected separately. Congressional district-level delegates will be selected based on the proportion of the vote won by the presidential candidate to whom they are pledged.

In addition to the 65 delegates from the Congressional Districts, there will be 23 delegates who are automatic party leaders and elected officials (PLEO) based on the positions they hold. Finally, the Democratic State Central Committee will select 10 additional party leader (PLEO) delegates and 21 at-large delegates. Additional details about the delegate selection process are posted on the Maryland Democratic Party website.
