About this Voters’ Guide

This Voters’ Guide is published by the League of Women Voters of Maryland. The League has a long tradition of publishing the verbatim responses of candidates to questions important to voters. The League offers this Voters’ Guide to assist citizens in their decision-making process as they prepare for participation in the general election. The League of Women Voters does not support or oppose any candidate or political party.

All candidates were asked to provide biographical information and to respond to a nonpartisan questionnaire. Candidates running for the same office were asked identical questions. Responses from state and local candidates who will appear on the ballot are printed exactly as submitted to the LWV. We did not edit for content, spelling, or grammar. Presidential candidates’ responses were limited to 750 characters. All other candidates’ responses were limited to 400 characters and any additional material was cut off at that point. If a candidate did not respond by the print deadline, "No response received by deadline" is printed.

Additional information on the candidates is available at VOTE411.org, which has any updates received after the deadline. Candidate websites provide additional biographical and policy information. If the candidate submitted a campaign website, it is listed under her/his name.

The League assumes no responsibility for errors and/or omissions.

Three Ways to Vote

1. Vote Safe, Vote by Mail
Because of the risk of transmitting COVID-19 wherever large numbers of people are gathered, voters are strongly encouraged to vote by mail. Vote in person only if you cannot vote by mail.

Ballots will be mailed to voters on the active voter registration list and will be accompanied by an envelope with prepaid postage for returning the ballot. Be sure to sign the oath on the envelope, or your vote will not be counted.

Voters will receive a Republican or Democratic ballot if they are affiliated with one of those parties. See the information on the next page about “closed-primary” elections. If you do not receive a ballot and believe you are eligible to vote in this election, please contact the Worcester County Board of Elections at 410-548-4830.

Ballots must be postmarked or returned to a secure drop box by 8:00 pm on Election Day, June 2. The State Board of Elections website includes a form to check that your ballot was received. Drop boxes will be available at the following locations from May 21 through June 2.

Vote Center: Board of Elections:
Berlin Intermediate School Worcester County Board of Elections
309 Franklin Avenue 201 Belt Street, Suite C
Berlin, MD 21811 Snow Hill, MD 21863

Protect your ballot - Do not give your ballot to anyone who offers to collect ballots. Put it directly in the U.S. Mail or in a Board

Ballots must be postmarked or returned to a secure drop box by 8:00 pm on Election Day, June 2. The State Board of Elections website includes a form to check that of Elections drop box.

2. Limited In-Person Voting on Election Day
To ensure that all voters have an opportunity to vote, in-person voting will be available at the Vote Center listed above from 7:00 am to 8:00 pm on June 2.

Voter registration will be available, as will marking devices for use by voters who would have difficulty reading and/or marking a paper ballot. Voters who did not receive a ballot in the mail and voters who cannot mail the ballot they received should also go to the Vote Center.

3. Absentee Voting
If you asked for an absentee ballot for this election, you may have received it already. If you have, please follow the instructions you received. Vote your ballot, sign and date the oath, and place both the ballot and the oath in an envelope. Be sure the envelope is addressed correctly and includes your ballot number.
If you would prefer to receive your ballot electronically, please call or email your local board of elections. When your ballot is ready, you will receive an email with a link to your ballot. You must print your ballot and the sign the oath. If you do not see an email from the State Board of Elections, check your spam folder.

“Closed-Primary” Elections

Maryland is a “closed-primary state”. Only the Republican and Democratic parties will be choosing their candidates in the upcoming election. Other political parties will choose their candidates by other methods.

What does a “closed-primary” mean for voters? In partisan races, voters registered as Republicans may vote only for Republican candidates and voters registered as Democrats may vote only for Democratic candidates. All registered voters may vote in non-partisan races such as Board of Education. If there are no non-partisan races on the ballot in a given county, independent and third party voters will not vote until the general election in November.

U.S. President

**DUTIES:** The President is the head of state of the United States of America; the Chief Executive Officer; and the Commander in Chief of all military forces. The powers of the President are prescribed in the Constitution and federal law. The President appoints the members of the Cabinet, ambassadors to other nations and the United Nations, Supreme Court Justices, and federal judges, subject to Senate approval. The President, along with the Cabinet and its agencies, is responsible for carrying out and enforcing the laws of the United States. The President may also recommend legislation to the United States Congress.

**TERM:** Four years. Limit of two terms.

**BASE SALARY:** $400,000 per year.

**Criteria for Participation in VOTE411.org:** All presidential candidates who will appear on Maryland’s ballot are listed below. The League of Women Voters of the United States, through the League of Women Voters Education Fund (LWVEF), established criteria to determine which candidates to invite to respond to questions for the Voters’ Guide.

Candidates qualified for invitations from LWVEF to provide responses to specific questions if they met the following criteria:
- The candidate must have made a public announcement of her/his intention to run for President.
- The candidate must have met the Presidential Election Campaign Fund Act’s minimum contribution threshold requirements for qualifying for matching funds, based on the most recent data publicly available on the Federal Election Commission’s website.

LWVEF is required to have at least two candidates for President from the same party meet the above criteria before they are invited to answer the League’s questions and to have their responses printed in a voters’ guide.

**Questions**

**ELECTIONS AND VOTING:** What policies do you support to improve and secure elections and voting in our country?

**COMMON GROUND:** Please explain where you see opportunities for Democrats and Republicans to find common ground on the very serious issues facing our country.

**IMMIGRATION:** What, if any, steps will you take to reform current immigration policies?

**GUN VIOLENCE:** Please explain the policies, if any, you support to address gun violence in America.

**CLIMATE CHANGE:** What, if any, actions would you work towards in your first 100 days to address the threats facing the US due to climate change?
Republican Candidates
Republicans may vote for 1

The League of Women Voters Education Fund (LWVED) requires that at least two candidates for President from the same party meet the above criteria before launching a Voters’ Guide covering that party. At this time, only one candidate running for the Republican Party’s nomination for President has met the LWVEF criteria listed above. Therefore, no Republican presidential candidates have yet been invited to participate. As soon as any two Republican candidates meet the criteria or the party’s national nominating convention occurs, LWVEF will invite the qualified candidate(s).

Both the Republican candidates for U.S. President listed below appear on the Maryland ballot.

The following candidate met the LWVEF criteria for participation in VOTE411, but see the full description of the invitation process above.

Donald. J. Trump

The following candidate did not meet the LWVEF criteria and has withdrawn or suspended his campaign.

Jorge Delgado

Campaign Facebook: http://facebook.com/votedelgado
Campaign Twitter: twitter.com/votedelgado
Campaign Instagram: @votedelgado

GOALS: After carefully considering my opponent’s dismal record and hearing the disappointment of voters in our district, I weighed my policy experience working on Capitol Hill and decided the only way to change the status quo and give Republicans in Maryland’s 1st Congressional District a clear choice, was to challenge the incumbent.

IMMIGRATION: Jorge adamantly opposes sanctuary cities, which are unlawful. When we lose control of our borders and we are unable to safely vet those entering our country, it becomes a matter of national security which strains our resources. In order to help protect and secure our borders, Jorge strongly supports building the wall, utilizing high-tech tools, additional funding for judges and Border Agents.

HEALTH CARE: From newborns to seniors, Eastern Shore families need access to safe, affordable healthcare. Jorge is committed to combating surprise billing, lowering prescription drug prices, as well as protecting and preserving Social Security, Medicare and Medicaid.

ENVIRONMENT: Jorge opposes seismic blasting off Maryland’s coast. He is a strong supporter of the Land and Water Conservation Fund, a program that provides critical resources, without federal taxpayer dollars, for coastal conservation and restoration. Most importantly, Jorge knows Maryland must hold its neighboring states accountable for any harm caused that adversely affects our beloved Chesapeake Bay.

GUN SAFETY: Jorge strongly supports law abiding citizens 2nd Amendment rights and ability to defend themselves. He believes our Police should have all the proper resources required to protect our communities. We must also ensure that we are properly funding threat assessment centers and mental health facilities. Our community challenges need local input & diverse partners to find solutions to complex problems.

ECONOMY: Jorge is a strong supporter of the free enterprise system. It has been the greatest source in upward economic mobility and allowing people to reach their full potential.

DISCRIMINATION: As a Hispanic Republican, Jorge hopes to show through his actions that we all can break barriers. Discrimination has no place in our society.

STUDENT LOANS: Students need upfront and clear information of the harm that debt will create on their future. With over $1T in student loan debt, it is a looming crisis that will create severe challenges when it bursts. Students should be aware of other opportunities such as trade schools, community colleges, and other alternatives that may better meet their long-term goals.
GOALS: I am running for re-election to make sure that everyone in the First District will have a representative in Congress who pays attention to what the people need from the federal government, listens to them, and can provide timely and effective constituent services when problems arise for them with any federal agency, like Social Security, the VA, Medicare, or the IRS.

IMMIGRATION: We need to be sure that we have an adequate supply of temporary foreign workers for industries important to the First District, like the crab picking industry and the tourism industry. I have been a leader on these issues in Washington, since so many small and family-owned businesses in the district depend on those workers, especially when the economy is so good and employees are so hard to find.

HEALTH CARE: We need to make health care more affordable - that was the main problem with the Affordable Care Act. We need to bring down the cost not only of insurance (maintaining coverage for any pre-existing conditions), but of health care itself. We have to bring down the high cost of prescription drugs, and we should have price transparency for all medical services and drugs.

ENVIRONMENT: By encouraging the use of exploration and production of natural gas to replace coal to generate electricity, the federal government brought down CO2 use in America for the third year in a row, exceeding the reduction of many countries in the Paris Climate Accords. We need to encourage the use of clean energy, especially exploring new advances in nuclear power generation which are safe and clean.

GUN SAFETY: Gun crimes must be prosecuted to the fullest extent of the law. In Baltimore City, where Maryland’s strict gun control laws have failed to stem the tide of handgun murders, we should send in federal law enforcement and prosecutors to help find and prosecute everyone who commits a felony with a handgun, and everyone who illegally possesses or attempts to buy a gun. We should enforce current laws.

ECONOMY: The successful economic policies of the Trump administration have resulted in a $5,000 increase in the median family income in America over the last five years, and the lowest unemployment rate in half a century, with record low unemployment for African Americans and Hispanics. Strengthening our economy and resisting socialist policies are the best way to increase incomes.

DISCRIMINATION: There are enough laws on the books, but in many countries in the world, there is an increasing problem with religious discrimination, especially against religious minorities like Christians, Jews, and Muslims. I applaud the President’s efforts to fight religious discrimination world-wide, and more needs to be done. Congress should be a partner with the administration in these efforts.

STUDENT LOANS: Lower cost higher education alternatives need to be developed. With the new digital age, online education is underutilized. We need to consider a new, less expensive plan for college - such as the first 2 years online, at one-fifth to one-tenth the cost. The last 2 years, and graduate education could still be on a physical campus. We also need to encourage career training in high school.

Allison Galbraith

Campaign Website: http://www.flipthefirst.com
Campaign Facebook: http://facebook.com/AllisonforMD/
Campaign Twitter: twitter.com/AllisonforMD

GOALS: I met Andy Harris. I’d gone to him concerned repeal of ACA protections would make it impossible to obtain private insurance and keep my small business. He told me he didn’t think “most people” would mind if women paid more for health insurance. My background is in policy and federal acquisition; I didn’t think they’d mind if I took his job. Representatives should work for all of us. I will.

IMMIGRATION: We need sensible, humane policies which treat immigrants with respect and compassion. The Eastern Shore relies on foreign workers and H-2B visas to sustain MD’s $355M seafood industry. Each one helps to create 2.5 jobs, while shortages devastate the economy. We require a comprehensive long-term solution as part of a more adaptable and responsive visa system and expanded pathways to citizenship.

HEALTH CARE: ACA offered relief for many but is far from perfect. We can protect and expand ACA, Medicare, Medicaid, and CHIP while striving for quality, affordable, universal healthcare, including reproductive/mental health, dental, long term care, and Rx coverage. This would improve health outcomes, lower costs, enable job mobility/entrepreneurship/retirement, and ease burdens on small biz and caregivers.

ENVIRONMENT: Pollution, global warming, sea level, and extreme weather events do not respect political boundaries. It is a global crisis; the U.S. has a responsibility to be a leader in tackling environmental issues at all levels. Let’s rejoin the Paris Agreement, transition to clean, renewable energy, build sustainable communities, strengthen environmental laws, curb climate change, and protect our planet.

GUN SAFETY: I’d work to repeal the Dickey and Tiahrt Amendments, which hinder efforts to research gun violence and trace guns, fully fund law enforcement efforts at ATF and gun violence prevention research at CDC, require universal background checks, prohibit possession by domestic abusers, and promote a gold standard of responsible ownership among owners while penalizing negligence, and more.

ECONOMY: First and foremost, we must ensure that the very wealthiest among us are paying their fair share—a Prime subscription shouldn’t cost more than Amazon pays in federal taxes. We must raise the minimum wage to a living wage. But we must also address inequality through an intersectional lens, and acknowledge and address how inequality disproportionately affects women and people of color.

DISCRIMINATION: We must enforce existing discrimination laws, and ensure that we are properly addressing complaints of discrimination in the public and private sectors. We should also federally legislate these issues so that bias based on race, gender identity, sexual orientation, etc. isn’t permitted just because you crossed from one state into another. We also must finally codify the ERA into the Constitution.

STUDENT LOANS: Advanced education is increasingly necessary to compete in today’s job market; meanwhile Americans owe ~$1.6T in student debt. I’d work to ensure educational opportunity—college, trade schools, continuing ed, professional training, etc.—is accessible to all. A comprehensive solution to student debt must be explored also, including loan forgiveness program options and lending reform.

GOALS: I’m running to represent Maryland District One by restoring Accountability, Equality, and Integrity as sworn to the Oath of Office. Our current representation works against our citizen’s healthcare concerns, their fundamental civil rights protections, and leads education systems into despair. Therefore, we seek to renew the primary goals of communities to have better education, jobs, & healthcare.

IMMIGRATION: Families need a legal pathway system to help represent those at trial or for those who seeking immigration rather than deportation. We’re looking to reduce costs for families who are separated and burdened with little regard for those who are actual citizens. We do not believe in deportation for small infractions, only those with felonies as major crimes. We’re a nation of immigrants since 1607.

HEALTH CARE: We seek to expand ACA to Medicare for All. Our Goals are ensuring providers meet all standards of Medicare for all, with expansion to all ages. We are protecting pre-existing conditions & ending exclusions that allow discrimination of care or denial of treatment and medicines. Private insurers & employers should be in compliance to have healthier workers by 2030. Thus, you can keep your plan too.

ENVIRONMENT: First, we must sign to Paris Accords again. Then enact legislation to have our Federal EPA comply with protecting our environment, and not delegate responsibilities to private sectors. We must fund our Chesapeake Bay protection fund to assist our communities, councils best, and companies to reward their efforts in protecting our Bay, State, and Planet in Solar, Wind, and Energy Storage utilities.

GUN SAFETY: We would propose adding all weapons permits, training, and carry status on the back of driver license or Real ID for easy reading. License additions shall include your guns as authorized to carry by type, a designation of your training certification for those weapons, and any FFL Status. Doing this provides a reduction of paperwork, additional permits, & can allow joint multi-state authorizations.

ECONOMY: For Education, we support the Kirwan commission reporting and seek to support the state from a federal level as needed. For Infrastructure, we would seek innovation companies, manufacturers, and small businesses to keep our twelve Counties thriving. For Wages, we would co-sponsor House Bill 582 Raise the Wage Act and seek passage of Senate Bill 150 for a federal minimum wage of $15.00 per hour.

DISCRIMINATION: Currently, 38 states support the Equal Rights Amendment. Therefore, I would sponsor a bill to our House of Representatives to introduce the Constitutional Amendment again. We seek to protect all our Civil Rights Act of 1964. As a member of the LGBTQ community, we seek to protect everyone for their national origin, race, gender identification, sexual orientation, religion, disability, or religion.

STUDENT LOANS: For student loans, we seek to reduce interest rates to be no higher than ten percent ever for private loans to for-profit schools. Forgive those loans of our veterans and communities who are applying for assistance. Ensure the Department of Education holds any and all colleges accountable. DOE should also seek to provide a pathway to make non-profit colleges tuition-free for all our communities.

GOALS: We need leadership that already has an established process for evaluating problems and legislation. I call it ‘the nursing process.’ I am well versed. I truly believe I am the leader who can bring a consistent approach to the needs of Maryland’s First Congressional District.

IMMIGRATION: Pause ICE for 6 months. Give Illegal immigrants one chance to properly get on the path to citizenship. I like ankle monitors for asylum seekers to empty the holding cells. I want an immigration process as easy to understand as the picture menu at a fast food restaurant.

HEALTH CARE: I like the ACA as it is. I would only suggest adding my “Primary Care for All Citizens” legislation. This starts with an expansion of Medicare part A to include primary care service and move from a reactive healthcare model to proactive healthcare model. Proactive is cheaper and has better outcomes.

ENVIRONMENT: The federal government needs to ensure that a scientist or a science competent leader is the head of the EPA. This should be a position that requires a confirmation hearing. America should be the forerunners of environmentally friendly, and we are way behind. We can start by re-entering the Paris Agreement.

GUN SAFETY: Establish an independent entity to monitor background check for gun owners and perform private gun vaulting in domestic cases. Highly encourage gun safety and responsibility from an early age, such as in the Boy Scout and the Eddie the Eagle program. Make mass shootings an act of domestic terrorism.

ECONOMY: Stabilizing student loans and healthcare costs will help stimulate the economy. As well, investing in green ventures can and will bring economic stability to tourist and farming regions.

DISCRIMINATION: For high crimes against humanity through discrimination and hate, I propose an offender registry. Just like sex offenders. I will lead by example and make my office as inclusive and as representative of the district as possible.

STUDENT LOANS: Get everyone into government-controlled student loans to stop the predatory nature of the current system. I also think making community colleges free would help students decide their educational path without acquiring as much debt because they decided to change their major.
Delegates and Alternate Delegates
to the Republican National Convention
Congressional District 1

Maryland will send a total of 38 delegates to the Republican National Convention, which will be held August 24-27, 2020 in Charlotte, NC. Each of the Congressional Districts will elect 3 delegates and 3 alternates. The presidential contender receiving the greatest number of votes in each District will receive the votes of all three of that District’s delegates. Each voter may vote for up to 3 candidates for delegate and 3 candidates for alternate.

In addition to the 24 delegates elected by the voters, 11 at-large delegates will be selected at the Maryland GOP convention by members of the State Republican Central Committees or their proxies. The votes of at-large delegates will be allocated to the presidential contender receiving the greatest number of votes in the primary statewide. Finally, three party leaders (the National Committeeman, the National Committeewoman, and the chairman of Maryland’s Republican Party) will attend the convention and vote by virtue of their positions.

Candidates were asked to respond to two questions. Due to the number of candidates, the list of candidates, their answers and the links to their social media sites may be found at VOTE411.org.

Female and Male Delegates
to the Democratic National Convention
Congressional District 1

Maryland will send a total of 119 delegates and 8 alternates to the Democratic National Convention, which will be held August 17-20, 2020 in Milwaukee, WI. Voters from each Congressional District will vote for 7 to 9 delegates per District, for a statewide total of 65 elected delegates. Male and female delegates will be selected separately. Congressional district-level delegates will be selected based on the proportion of the vote won by the presidential candidate to whom they are pledged.

In addition to the 65 delegates from the Congressional Districts, there will be 23 delegates who are automatic party leaders and elected officials (PLEO) based on the positions they hold. Finally, the Democratic State Central Committee will select 10 additional party leader (PLEO) delegates and 21 at-large delegates. Additional details about the delegate selection process are posted on the Maryland Democratic Party website.

Candidates were asked to respond to two questions. Due to the number of candidates, the list of candidates, their answers and the links to their social media sites may be found at VOTE411.org.
