There is no signup cost to get a Stripe account. Get started here: <https://stripe.com/>

You do need an EIN (Employer Identification Number) which you can get from IRS online in 5 minutes. Goto: <http://www.irs.gov/Businesses/Small-Businesses-&Self-Employed/Apply-for-an-Employer-Identification-Number-%28EIN%29-Online> to get started.

The donation page you create will reside on the State website but the money will go directly from the payer to your bank account in 7 days. You will have a complete record of transactions online which can be exported in csv format so you can drop it into your accounting system.

When you get checks by mail, you do the registration manually on the site and your planned attendance records are up to date.
