Tag conventions:

If you are applying a tag to a member that other people will need to use, it is important that we are using the correct spelling of the tag-name. The tag for Report from State Circle, for example is rfsc. When other users created the tag rsc without checking for the correct spelling, their action did not result in the user getting the desired publication. So here are the most frequently used current tags:

Tags for local league identity:
1. AACo
2. BaltCity
3. BaltCo
4. Calvert
5. Fred
6. Harford
7. Howard
8. Kent
9. MidShore
10. Mont
11. PG
12. QAnnes
13. StMarys
14. WashCo

Publications:
1. rfsc
2. mdvoter
3. action_alert
4. sbl

Removed tags and their equivalents (the dead tag is first, its replacement is second):
