HOWARD COUNTY

WHO WE ARE

Founded in 1946 by Jeanette Smith, the League of Women Voters of Howard County is a non-partisan organization that promotes active political participation. We observe, study, discuss, educate, lobby, and testify on issues that matter to our community.

We believe in the power of our members' voices, and all our positions, priorities, and advocacy are guided by open discussion and member consensus.

The League of Women Voters adheres to the belief that diversity, equity, and inclusion are critical to our organization's success and to democracy itself. Our mission depends on the full participation of all citizens, without exception.
