AN IMPORTANT MESSAGE REGARDING UPCOMING ELECTIONS

Due to the COVID-19 public health emergency, Baltimore City will have delayed primary elections and new mail-in voting. Please circulate this information to your contacts, community, and on social media.

New Primary Date
Maryland’s Presidential Primary Election will take place on Tuesday, June 2, 2020. Due to the coronavirus pandemic, this will be a mail-in election with limited opportunities for in-person voting.

Voter Registration Information
To register to vote or to change your name, address, or party affiliation, you must do so by Wednesday, May 27, 2020. We recommend that you use Maryland's Online Voter Registration System, but you may also register by mail. For complete information and to register, click here.

For the June 2 Primary Election, only those who are registered as Republican or Democrat will be eligible to vote. In addition to selecting their party’s candidate for President, voters will select candidates for Congress, Delegates to their National Convention, and Judges of the Circuit Court. In Baltimore City, voters will also select candidates for Mayor, President of the City Council, Comptroller, and members of the City Council.

Voting by Mail-In Ballot Information
The Maryland State Board of Elections will automatically mail a ballot to the address on file for registered voters. You do not need to request a ballot, but it is crucial that your voter registration information is correct. If you are registered to vote and need to check that your address is up to date, click here.

Ballots will be mailed to registered voters in May. Once you have completed and signed your ballot, you may return it by mail. Postage on your ballot is prepaid -- you DO NOT need to add stamps on your return envelope. Your mail-in ballot must be postmarked by Tuesday, June 2, 2020.

Voters may also drop off their ballots at designated locations between Thursday, May 21, 2020, and by 8:00 PM on Tuesday, June 2, 2020. If you are unable to vote by mail, you may vote in-person on primary day at a designated voting center in your jurisdiction. For a list of ballot drop off locations and voting centers, please visit this link. If you have not yet registered to vote, you may do so in-person on primary day at your voting center.
