The League of Women Voters is a respected grassroots organization, where individuals like you are actively engaged in creating positive change on the local, state and national levels.

Become a member and serve as a leader in your community by working to shape the important issues that keep our communities strong.

We believe that sensible, responsible civil discourse and action based on substance rather than partisanship is essential for civic improvement. We believe that with leaders like you, we can make democracy work.

The League of Women Voters is dedicated to providing well-researched and unbiased information so that all voters may become better informed. Visit our website: <http://www.lvwwashco.org> to learn more about issues, events and your elected representatives.

Because we lobby for the action positions we have developed together following the consensus process, contributions directly to LWV are not tax deductible. However, contributions to the LWV Maryland Education Fund in the name of the Washington County chapter are tax deductible

The League of Women Voters:

- Acts as a force to create positive, lasting change in our communities.
- Empowers millions of voters to protect their right to vote.
- Educates citizens and fosters dialogue on pertinent issues — from healthcare and climate change to openness in government.
- Works to ensure that ALL votes are counted and ALL voices are heard.
- Helps to make democracy work!

The League is proud of its long history of working to sustain and further the basic principles of democracy for all by encouraging and enlisting others in that effort. At a time when all too many citizens withdraw from the political process, it is more important than ever that those who care about government accept their civic responsibility to participate fully in the democratic process. What better way to do that than by joining **THE LEAGUE OF WOMEN VOTERS**, the organization that since 1920 has continued to work proudly to preserve the traditions of democracy?
